

Little Friends was Established in 1970 as an Outreach Ministry of Friends Community Church.

More than 40 years later Little Friends is still an Outreach Ministry, serving families with children 0-6 years of age.

Our Philosophy, We recognize each child's uniqueness and support the development of social, emotional, intellectual, and spiritual needs.

Children naturally learn concepts, develop skills, and enhance their language abilities through play and exploration.

We strive to provide quality care that nurtures and accepts each child, celebrating their talents and gifts to grow in God's way.

We accept all children regardless of race, religion, creed and national origin.

We focus on providing a variety of learning opportunities throughout the day, teaching them the importance of independence to prepare them for school and life long learning.

Our curriculum is theme based with Christian Education included. Pastor Robert does chapel for the children each Wednesday morning.

We are open Monday through Friday from 7:00AM-6:00PM, we serve Breakfast, Lunch and PM snack. We are on the Food Program and everyone qualifies.

Tuition is due weekly. We accept Private pay, PACE, CAL-WORKS and Supportive Services as forms of payment.

We also accept VISA & MASTERCARD for your payment convenience.
